

# *On the path to influencing tomorrow*

Congratulations to our **2022 CFE** writers

Baker Tilly Canada congratulates the 41 candidates across its network who successfully completed the 2022 Common Final Examination (CFE).

These individuals demonstrated the extensive skills and knowledge they have acquired through study and practice, meeting all requirements set out by the Chartered Professional Accountant (CPA) Competency Map. Each of these candidates is now one step closer to attaining their CPA designation. We look forward to the future achievements of these exceptional professionals, as they endeavour to make a meaningful impact for their clients, their profession and their community.
