About Us

Baker Tilly ASA India LLP, a full-service accounting and consulting firm, is the exclusive India member of Baker Tilly International.

With 35 years of experience and 1,600+ professionals across eight cities in India, we bring a passion for excellence and uphold the highest standards of reliability and transparency in every business engagement.

Powering Your Strategic Transactions with Precision and Insight

Our Transaction Advisory Services are designed to support businesses across the entire deal lifecycle—whether it's navigating complex mergers and acquisitions, conducting financial and tax due diligence, or providing robust, independent valuations. We help clients identify the right opportunities, manage risk, and execute transactions efficiently across domestic and cross-border landscapes.

From capital raising through venture capital, private equity, or banking channels to debt financing aligned with business goals, we offer strategic guidance and hands-on execution. Our experienced team ensures every transaction is backed by insight, precision, and value creation.

- **Mergers & Acquisitions**

End-to-end support on domestic and cross-border M&A transactions—covering strategic planning, target identification, valuation, negotiation, and deal closure.

- **Due Diligence**

Financial and tax due diligence for both buy-side and vendor needs—includes data analysis, risk and opportunity assessment, background checks, on-site reviews, and post-merger integration.

- **Valuation**

Independent, technically sound valuations for M&A, compliance, disputes, family settlements, purchase price allocations, and more.

- **Fund Raising**

Capital raise support via venture capital (VC), private equity (PE), or banking channels—from pitch decks and valuation models to investor negotiations.
