- Payroll management and advice on human resources matters

**Baker Tilly is committed to offering you customised rates tailored to the needs of start-ups**

Approval of the application subject to prior analysis of the project by Baker Tilly Luxembourg

We work online with our clients via our platforms

### What are the benefits for you?

- **Overviews available at any time**

- ✓ No more waiting for quarterly results or year-end financial statements. The main expenses and income are displayed in an online dashboard

- **Secure digital archives**

- ✓ All invoices and documents are automatically stored in a digital archive, giving you easy online access to specific documents and amounts

- **Simplified invoicing software**

- ✓ Our invoicing software offers you an easy way to generate invoices for services and products supplied, as well as reminders and quotations, all sent by e-mail

- **Working 100% digitally**

- ✓ No need to spend time on the road. Everything can be handled online, which is a great way to save time. We can devote this time to advising and guiding you

- **A smartphone app, free of charge!**

- ✓ You can access all your figures, accounting records and documents via your smartphone. You can also scan, transfer, search for and consult documents. The application runs on both Android and iOS

- **Platform for document exchange**

- ✓ To simplify the transfer of documents and enable joint management of a database with our customers, we use a secure IT interface that allows you to create, manage, share and consult files via a secure remote access system

- **IT security**

- ✓ Your sensitive financial data is processed with the highest level of protection, using advanced measures such as encryption and secure digital platforms. All data are hosted in Luxembourg, and regular back-ups are carried out in a Luxembourg-based data centre
