

Environmental policy

As a responsible corporate entity, Baker Tilly Hong Kong recognises and accepts that we have a responsibility to the environment and the community. Our company is therefore committed to ensuring that environmental considerations are an integral part of our daily operations and we have adopted the following guidelines in pursuance of this commitment:

- Monitoring of compliance with all applicable environmental legislation, standards and regulations;
- Promoting sustainability by conserving resources in the conduct of our operations;
- Seeking continual improvement in the efficient use of energy and other natural resources;
- Establishing practical and measurable goals for environmental performance;
- Commitment to communicating the company's environmental policy and management strategy to staff, business partners and clients;
- Pursuing a programme of continuous improvement to lessen the impact that our operations may have on the environment.

This policy will be reviewed regularly to ensure conformity with contemporary environmental protection initiatives.
